S.S.S. RIDES THE SYSTEM OF CATARRH

Catarrh is a blood disease which causes a general inflammation of the inner linings or mucous membranes of the body. The diseasing of these delicate surfaces and tissues produces all the well known symptoms of the trouble, such as ringing noises in the head and ears, tight, stuffy feeling in the nose, pains above the eyes, irritation of the throat, sometimes slight fever, and a general feeling of weakness and ill health. Even the lungs become affected by the continual passage of impure blood through them, and there is danger of consumption if the disease is allowed to remain in the system. S. S. S. cures Catarrh because it purifies the blood. It goes into the circulation and removes every particle of the catarrhal matter, making this vital fluid pure, rich and healthy. Then the inflamed membranes begin to heal, every symptom disappears, the constitution is built up and health restored. S. S. S. rides the system of catarrh by attacking the trouble at its head and entirely removing the cause from the blood, thus making a permanent and lasting cure. S. S. S. is made entirely from health-giving roots, herbs and barks, and for this reason is an especially safe and desirable medicine. Book on Catarrh and any medical advice free to all who write.

ODEON

Theater is Showing a Fine Program the First Part of This Week.

The company that opened at the Odeon theater this afternoon for a three days' engagement made a sure five hit. Each number was liberally applauded, and the smiling faces of the large crowd that assembled in this cozy play house Monday afternoon proved that each had got his money's worth. It is a rule of the management to spare no expense in bringing before the public of Clarksburg the best array of talent on the books of its agent, a man of wide experience in the theatrical field.

The Odeon is the only house in the city booking Gus Lun acts and the city booking Gus Sun acts and the only place of amusement affiliated Odeon a visit.

It is the aim of Manager Pickett and his associates to give the patrons of Odeon good performances, performances and courteous treatment, and little children may be sent to the show and their parents can rest assured they will be well taken care of. The show consists of three reels of excellent pictures, and three vaudeville acts, and if you stop and realize you are getting a fifty cent show for one-fifth of the cost, you will be sure to pay the Odeon a visit.

Saved From Dangerous Operation—Neighbor Advised What to Do For Bladder Trouble

I too wish to add my testimonial to the thousands you no doubt have, and will tell you what your great medicine did for me.

Several months ago I was taken very sick with bladder trouble, had intense pains and suffered greatly, at times I could not stand on my feet or sit in a chair and often was forced to cry out with pain.

I consulted two doctors who gave me different kinds of medicine, which did me no good. It seems as though the more of their medicine I took, the worse I became. The doctors seemed to be greatly puzzled over my case and after holding a consultation, I was told that I had a severe case of inflammation of the bladder and an operation was very necessary.

I was being prepared to be taken to the hospital, when a neighbor came to my house and said: "Why don't you try a bottle of Dr. Kilmer's Swamp Root?" I was willing to try again to get relief from my suffering. My wife bought a bottle of your medicine which I began taking and soon noticed a change for the better. I continued taking it and got better right along, my appetite returned and I was able to resume work.

I have used about fourteen bottles of Swamp-Root and know that had I not taken it, I would have been operated on, and perhaps never recovered. I never fail to tell my friends about Dr. Kilmer's Swamp-Root as I know it will save many people from suffering and perhaps, as in my case, a dangerous operation.
